

Sassafras Wine Program

Welcome to Sassafras. Our wine list currently contains over 300 selections from 16 countries, including over 20 products that you can enjoy by the glass. Our commitment and dedication to a world class wine program led to the installation of custom cellars made by La Vieille Garde. As beautiful as the cellars are, the most important factor is how well they keep the wines. Our whites are stored at 9°C, and our reds at 17°C, which allows for a combination of proper serving temperature and an effective storage temperature. To maintain our 'by the glass' wines, we installed 'Le Verre de Vin'. This system eliminates oxygen in still wines, and adds a layer of CO₂ in sparkling wines for preservation of the wine's quality once it has been opened.

Sassafras is proud to support the Bring Your Own Wine (BYOW) initiative. Recent changes to the rules allow guests to bring their own wine to enjoy with our fine cuisine. Whether your wine has been carefully cellared for years for a special occasion, or straight off the LCBO shelves, we will cordially open and serve your selection in our Spiegelau crystal. A \$30 'corkage' fee will be charged for each 750mL bottle opened.

In support of the restaurant's sustainability efforts and values for providing quality ingredients that promote living well, our wine list includes a variety of wines from winemakers who are producing wines made from organically-grown grapes.

It is our passion to make sure that your experience with us is enjoyable. Please let us know if you have any special requests, or if we can decant your favourite wine prior to your arrival.

We are proud to present only VQA wines from Canada and to be the recipients of the VQA award since 2008. Our efforts have been acknowledged by receiving the following awards:

Wine Council of Ontario VQA Award
